- **Brown Seal or State Issued Notes** – we need to see all of these.
- **Green Seal Notes** - are worth face value. A few can have value if they are perfect, uncirculated notes from 1970 and before, or they have a STAR instead of a letter in the Serial number.

### **Scrap Gold, Silver, Platinum, Palladium**

- **Dental Gold** – Such as crowns or bridges made up of gold alloys.  
Please remove all teeth fragments (eg. with hammer) before bringing into the store.
- **Clearly marked Silver, Gold or Platinum jewelry** (We do not buy costume jewelry or gemstones)
- **We NO LONGER buy unmarked scrap items**

### **Sterling Silver – Flatware, Cups, Trays, Candlestick Bases...Etc**

- **All items clearly marked "Sterling" or "925"**  
Please cautiously remove all resin/plaster/paraffin (eg. with hammer) in weighted items before bringing into the store. (Some items should be checked for collectable value before destroying)

### **Other important things to remember.....**

- All prices listed above are subject to change due to market conditions
- Damaged, cleaned, corroded, bent, etc. coins are worth significantly less—even for rare date coins
